The aim of the Leeds Beckett Repository is to provide open access to our research, as required by funder policies and permitted by publishers and copyright law.

The Leeds Beckett repository holds a wide range of publications, each of which has been checked for copyright and the relevant embargo period has been applied by the Research Services team.

We operate on a standard take-down policy. If you are the author or publisher of an output and you would like it removed from the repository, please [contact us](#) and we will investigate on a case-by-case basis.

Each thesis in the repository has been cleared where necessary by the author for third party copyright. If you would like a thesis to be removed from the repository or believe there is an issue with copyright, please contact us on [openaccess@leedsbeckett.ac.uk](mailto:openaccess@leedsbeckett.ac.uk) and we will investigate on a case-by-case basis.

# Sonnet 145. Those lips that Love's own Hand did make

*f* *Andante* *Melodica*

*Solo*

Those lips that loves own hand did make breathed forth the word that said I hate to meet that  
 lan-guished for her sake but when she saw my wee-ful state straight in her  
 heart did mer-cy come chi-ding that tongue that ev-er sweet was used in  
 gi-ving gen-tle doom And taught it thus a-new to greet I hate she  
 al-tered with an end that foll-owed it as gen-tle day doth foll-ow  
 night who like a fiend from heav'n to hell is flown a-way I hate from  
 hate a-way she threw and saved my life say-ing, not you

*Solo*
