The aim of the Leeds Beckett Repository is to provide open access to our research, as required by funder policies and permitted by publishers and copyright law.

The Leeds Beckett repository holds a wide range of publications, each of which has been checked for copyright and the relevant embargo period has been applied by the Research Services team.

We operate on a standard take-down policy. If you are the author or publisher of an output and you would like it removed from the repository, please [contact us](#) and we will investigate on a case-by-case basis.

Each thesis in the repository has been cleared where necessary by the author for third party copyright. If you would like a thesis to be removed from the repository or believe there is an issue with copyright, please contact us on [openaccess@leedsbeckett.ac.uk](mailto:openaccess@leedsbeckett.ac.uk) and we will investigate on a case-by-case basis.

## **ALL THE WORLD IS OUR STAGE**

### **V1**

When I was a child

In my mother's arms

a-Mewling and a-puking I would be

I, whining went to school

And there I broke the rules

That's how you get to University

### **Chorus**

'cos All the world is our stage

We are the people of the seventh age

We don't care what you say

'cos we'll go and do it anyway

We're not young, but we're free

To be the people that we wannabe

All the world is our stage

Now it's time to Act our age

### **V2**

Sometimes I have loved

In many different ways  
Sighing in the heat of love's young dream  
A Protester I became  
Fighting for the cause  
Passionate in all that I have been

### **V3**

So I played my part  
with Justice in my heart  
Supporting all my family and friends  
It's not over yet  
not Time to call the vet  
for With this voice my story never ends
