The aim of the Leeds Beckett Repository is to provide open access to our research, as required by funder policies and permitted by publishers and copyright law.

The Leeds Beckett repository holds a wide range of publications, each of which has been checked for copyright and the relevant embargo period has been applied by the Research Services team.

We operate on a standard take-down policy. If you are the author or publisher of an output and you would like it removed from the repository, please [contact us](#) and we will investigate on a case-by-case basis.

Each thesis in the repository has been cleared where necessary by the author for third party copyright. If you would like a thesis to be removed from the repository or believe there is an issue with copyright, please contact us on openaccess@leedsbeckett.ac.uk and we will investigate on a case-by-case basis.

APC ambiguity

Promotion and guidance

A large group of glowing jellyfish swimming in a dark blue tank. The jellyfish are illuminated from below, creating a soft, ethereal glow. The text "Promotion and guidance" is overlaid in a large, white, sans-serif font, centered in the upper half of the image. The jellyfish vary in size and orientation, with some showing their internal structures and tentacles.

Arts and humanities

File types and rules

Lack of time

A cartoon illustration of a young man with dark hair and glasses, wearing a light blue shirt and a red tie. He has a surprised or questioning expression on his face, with his mouth slightly open and his hands held out in a questioning gesture. The background shows a window and a yellow butterfly on the wall.

DELETING EMAILS

IS THIS TIME MANAGEMENT?

A person's legs are visible from the knees down, wearing black pants and bright yellow work boots with laces. They are standing on a cobblestone path. The text "Teaching vs research" is overlaid in the lower half of the image.

Teaching vs research

Research cafes
Training menu

A diver in full scuba gear is positioned on the left side of the frame, swimming towards the right. The background is a dark, deep-sea environment with a large, textured rock formation on the right. Several fish are visible swimming in the water. The overall scene is dimly lit, with light filtering from above, creating a sense of depth and mystery.

Research Data Management

A scuba diver is positioned on the left side of the frame, swimming downwards. The background is a dark, deep-sea environment with several fish swimming in the upper right quadrant. A large, dark, rocky structure is visible in the lower right. The overall lighting is dim, with a slight light source from the top left, creating a sense of depth and mystery.

Should you use ResearchGate? We've written a short blog post to unpick the key issues bit.ly/2BG482E [@BeckettLibrary](#) [@beckettpress](#) [@LibFisherObrien](#) [@Busybrarian](#) [@Beckett_Law_Lib](#) [@LBUResearch](#) [@librobrien](#)

Should I use ResearchGate?

ResearchGate is a popular social media tool that can help you connect to other researchers, follow developments in your subject area and get your own ... leedsbeckettlibrary.wordpress.com

LeedsBeckettResearch @BeckettResearch · 20 Dec 2017

I don't want a lot for Christmas
There is just one thing I need
I don't care about the presents
Underneath the Christmas tree
I just want you to upload
Your accepted article
Make my wish come true oh
All I want for Christmas is you (to be REF compliant)

...and some good old-
fashioned library grunt work!

The future?
